## ADVANCE PRICE LIST

TO THE TRADE ONLY

We give herein a list of the principal varieties of Fruit Trees we are propagating for the coming seasons business; These are all worked on good strong seedlings, planted on very fine nursery land, and will have the best of cultivation and care during the growing season, so that with only ordinary weather conditions, we believe that we are warranted in expecting a particularly good lot of stock for delivery next fall.

Our regular Trade List, which will include our full line of Small Fruit Plants, Ornamentals, Roses &c. will be mailed you later.

**TERMS:** Our terms are cash or satisfactory references before shipment; To established nurserymen who are known to us, or who give the necessary references, a credit of 60 days from date of invoice will be allowed, with a discount of 3% for cash with order, 2% in 10 days, and 1% in 30 days, but no terms of credit shall extend beyond June 1st.

Interest will be charged on past due accounts at the rate of 8% per annum. No discount allowed on supplies.

Prices quoted herein are for prompt acceptance and subject to change without notice. The usual deposit is requested on advance orders.

If you are in the market for anything in the nursery line we would be pleased to hear from you.
